꿈속의주인님

문/그림 손희준

dream 38

Kuu...

Haa~

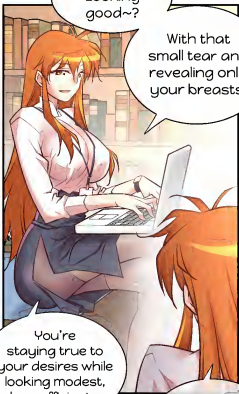

T-... too...
fast!

Go
slower...

S-... sorry
it feels... so
good...!

My hips
are moving
on its own...

Man~
Looking
good~?

With that
small tear and
revealing only
your breasts!

You're
staying true to
your desires while
looking modest,
how efficient~

D-... don't
say things
like that...

You still
don't under-
stand? Let this
be a lesson

T/N: WHAT SHE SAID WASN'T
PROVOCATIVE AT ALL. BUT W/E

Of how turned on
men can get from
such provocative
words alone~

St-...

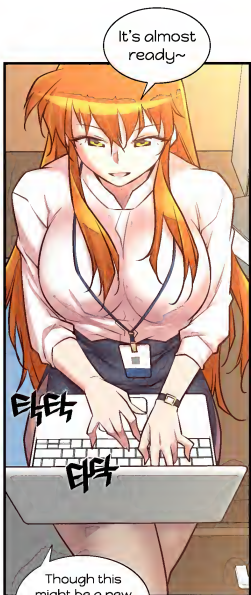

Still...

Don't worry.
I'll make sure to
train you prop-
erly this time

What...
are you...

덜컹

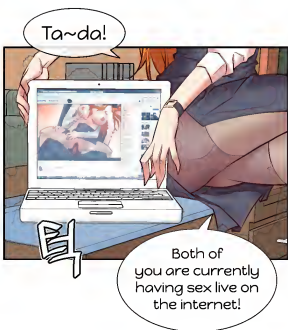

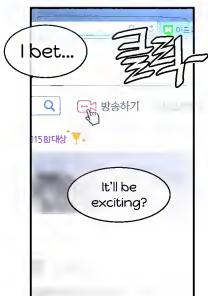

It's almost
ready~

타닥

타닥

Though this
might be a new
experience for
you...

Isn't it stimulating?

If embarrassment exceeds a certain limit, it starts feeling like pleasure.

T-...
turn it off!
That...

I-... it's
already em-
barrassing
as it is...

Just
bear with
me a little
longer

Who
knows, you
might end up
being addict-
ed to this?

Or...

Should I help
you so that you forget
about other people's
attention~?

Wh-...
what are
you doing
now!

It's rude to
just leave such
ample breasts
alone, right?

W-...
wait!

Itadakimasu

냠냠

Ha eutt....!

냠냠

Just how long
are you going
to let this area
be toyed with?

만지작

Eutt~ If-...
If you touch
there...

Ah...?!

I-... I can
feel it!

부룩

부룩

The
sensation
of it getting
harder and
bigger inside
me...!

Mmm...
Slurp~ Hurry
up and move

Ahh... The
tightness...

N-... no~
It's because
manager got
bigger...

Aww~ Isn't this
no different than a
frozen screen?

Aren't you
being rude to the
viewers~?

Wow~ look at
all those people
filling up the
chat room~

They're sending
dream candies or
something too?

Let's see...

3P with
twins, fucking
awesome!

Hurry up and
start pistoning
into her, what're
you doing?

A live show
without censorship~
I have to save before
they delete it...!

I-... I'm not
interested in what
they're saying so
stop reading them!

Then
shall I begin
to support you
further, in order to
keep up with their
expectations?

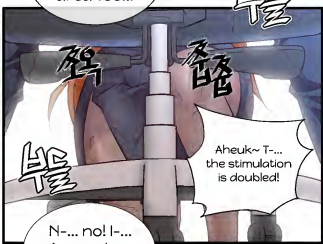

W-...
why're
you sitting!
What're you
doing...

It looks a bit dry so I'm adding some lubricant~

Haa...!

Ahaak~ T-... that sensitive area too..!

Aheuk~ T-... the stimulation is doubled!

N-... no! I-... it's twitching inside...!

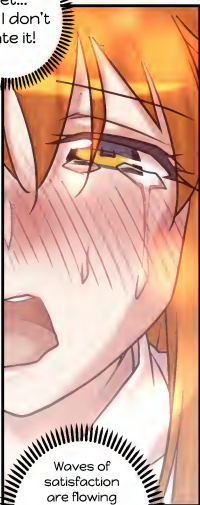

Really?
I... wanted
something
like this?

I don't
think I've ever
fantasized
something
like this...

Yet...
yet I don't
hate it!

Waves of
satisfaction
are flowing
through me
as if receiving
something I
can't do to
myself!

Ohh~
now things
are getting
heated!

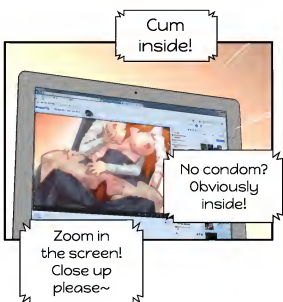

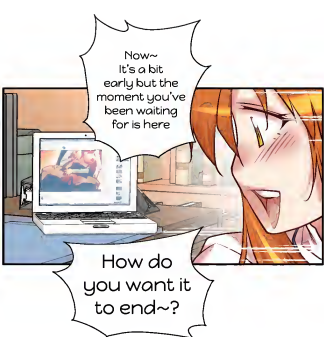

This... both
of you are
shaking
your hips
together!

Uhh... I don't
think I can
hold it any
longer...

I'm going
to cum like
this, what
do I do...?!

If you don't want it then we can stop right away!

You want to end it right here? Is that fine with you?!

Uhh... Lilu I can't... Sh-... should I take it out?

N-... no! Don't stop!

P-... please keep moving!

I'm..
cumming!

As if
you want to
impregnate
her~!!

Ku...
Heukk!!

Aheuu... ahh!

I... remem-
bered!

What Anain
said and the
reason why
I'm obsessed
with Mon gil...!

Now you realize?

You have to remember this moment.

The more you hide your true feelings and ignore it the farther you'll be from your goal...

I understand...

I won't... run away anymore...
